

Tanzania s electrical distribution box industry

Overview

6Wresearch actively monitors the Tanzania Electric Transmission and Distribution Equipment Market and publishes its comprehensive annual report, highlighting emerging trends, growth drivers, revenue analysis, and forecast outlook. Tanelec Limited was established in 1981 and is today the leading manufacturer of Distribution transformers, Power transformers, electrical switchgear, metering units, line materials & accessories in East and Central Africa, serving regional utility companies and private sector. Reliable, affordable and sustainable electricity is the lifeblood of modern economies. EWURA regulates the Electricity Supply Industry in Tanzania Mainland, which is primarily dominated by Tanzania Electric Supply Company Limited (TANESCO), a vertically integrated utility wholly owned by the Government of the United Republic of Tanzania. The Company through its Technical Department is engaged in the planning, analysis, design, and construction as well as maintenance of Transmission and Distribution networks.
