

Tax rate on the sale of small electrical distribution boxes

Overview

Capital gains tax (CGT) is charged at the rate of 18% on gains (including any held over gains coming into charge) where net total taxable gains and income is below the income tax basic rate band threshold. A list of goods and services showing which rates of VAT apply and which items are exempt or outside the scope of VAT. What qualifies and the VAT rate you charge depends on the type of goods or services you provide.
