

# **Upgraded version of FC adapter for distribution network automation**

## Upgraded version of FC adapter for distribution network automation

---

WebiTelecomms Cabling

### Emulex Fibre Channel Host Adapters by Broadcom

Emulex Fibre Channel host adapters can look back on a tradition dating back to the early days of Fibre Channel. They are now part of the Broadcom product family,

### A Distribution Network Automation Communication Module Based

Currently, distribution network automation communication technology uses a two-layer network structure, divided into a backbone layer and an access layer. The backbone layer typically uses fibre

### Optical fiber adapters overview

The HUBER+SUHNER FSMA adapter family delivers high-performance, durable, and easy-to-install connectivity solutions. These versatile adapters ensure reliable connections with minimal signal loss,
