

Uzbekistan Management-Type Intelligent PDU Meter Head Manufacturer

Overview

Joint Venture "ELEKTRON XISOBLAGICH" LTD was jointly established in Tashkent in 2004 by the Uzbekistan State Electric Power Installation, Commissioning Company Tashkent Power Grid Public Co. UPS + RPCM Smart PDU = increasing uptime + decreasing downtime + saving time and money! System administrators can turn on/off and reset any of the 10 outlets without having to go to the location of the equipment, as well as handle cases where the equipment was turned on/off without authorization. Powertek is a leading global manufacturer of high-quality, customized rack power distribution units (PDUs), basic and intelligent PDUs, inline meters, automatic transfer switches (ATS), power splitters and environmental sensors for datacenters and IT-professionals. iPDUs serve as a centralized power management solution that enhances the efficiency, reliability, and monitoring capabilities of power. 0, Managed PDU, Monitored PDU, Metered PDU, Basic metered PDU, Basic PDU, ATS and accessories.

Uzbekistan Management-Type Intelligent PDU Meter Head Manufact

IPDU Intelligent Power Distribution Unit

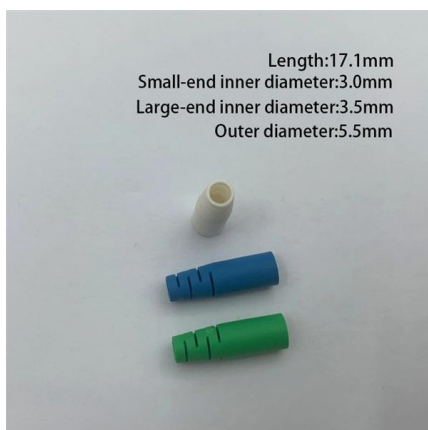

However, unlike traditional Power Distribution Units (PDUs), an iPDU goes beyond basic power delivery by incorporating intelligent features and network connectivity, allowing for real-time monitoring,

Power Distribution Unit

Optimising energy costs in data centres is therefore becoming increasingly important for companies - IT managers can use an intelligent PDU to monitor energy costs and what is causing them. necessary

[Contact Us](#)

Why This Intelligent PDU Meter Head Module Is the Only Remote PDU

Remote PDU enables real-time power monitoring and control for data center devices, offering accurate telemetry, SNMP alerts, and reliable relay functions for enhanced efficiency and proactive issue

IPDU Intelligent Power Distribution Unit

IPDU Intelligent Power Distribution Unit - An Intelligent Power Distribution Unit (iPDU), also known as a Smart PDU or Intelligent PDU, is a critical component in modern data center infrastructure. iPDU's
