

White baseboards paired with dark cabinet bottoms

Overview

I frequently combine white baseboards with slightly darker toe-kicks or even seamless wooden toe-kicks to visually unify the cabinets with the flooring. This room is elegant and visually stunning with clean modern lines, and yet replete with warm, inviting charm in every aspect of its design. Discover Pinterest's best ideas and inspiration for White cabinets on top dark lower. One design scheme that has proven its staying power and continues to gain popularity is the "white on top, dark bottom" kitchen cabinet arrangement.
