

# **Wiring of household circuit breaker distribution box**

## **1×2 ~ 2×64 Cassette Type Optical Splitter**

Uniform splitting ratio, excellent directivity and low insertion loss

## Overview

---

In this video, I'll show you the complete wiring diagram of a home distribution board (DB). You'll learn how to connect the main circuit breaker (MCB), residual current device (RCD), and individual circuit breakers for lighting, sockets, and appliances. It is responsible for distributing electricity throughout a building, ensuring that each circuit receives the proper amount of power.
